

Solving Mysteries of Child Care

With Ms. Ryoko Uchida, Counseling Psychologist

Child Care Seminar & Counseling

Get your concerns & questions answered by «Ms. Uchida,» a professional child-care counseling psychologist with 40 years of experience, widely known as the advisor for NHK Radio phone counseling on children's psychology.

CONTENT

Why do my kids lie?

Why do they do everything so slowly?

Why wouldn't they stop crying?

Why wouldn't they play with friends?

Why do they take other people's things?

Every single day, new concerns and issues pop up in parenting...Shyness with people, too much persistence, unhealthy habits, discipline, language, problems with friends, dislike for kindergarten/preschool/school...

Come join us, and with the help of Ms. Uchida, let's solve the many mysteries of child care.

SPEAKER

Ryoko Uchida (Counseling Psychologist)

Since 1973, Ms. Uchida has continuously held counseling sessions at multiple healthcare centers in Tokyo. In addition, since 1998 she has presided over «Momo's Room: Child Counseling,» where she continues to hold group counseling sessions on issues such as truant children, delinquent children and stay-at-home children. Also a part-time lecturer at Rikkyo University, and a widely known advisor for NHK Radio phone counseling on children's psychology. A speaker at numerous seminars at child care circles, parents' groups on truant children, and kindergartens across Japan.
